NOTES & DISCLAIMERS

Contractor shall verify all conditions and dimensions at the job site and notify Designer of any dimensional errors, omissions or discrepancies before beginning or fabricating any work.

Homeowner & Contractor to verify all dimensions, structural details, and building codes, and grade requirements.

Homeowner and/or Contractor responsible for ensuring that the necessary permits are in place prior to commencing work.

Homeowner will take necessary precautions to remove or relocate items of value to be reused and/or saved, or in any danger of being damaged due to construction process.

To the best of my knowledge these plans are drawn to comply with owner's and/or builder's specifications and any changes made on them after prints are made will be done at the owner's and/or builder's expense and responsibility. The contractor shall verify all dimensions and enclosed drawing. Purple Turtle Design is not liable for errors once construction has begun. While every effort has been made in the preparation of this plan to avoid mistakes, the maker can not guarantee against human error. The contractor of the job must check all dimensions and other details prior to construction and be solely responsible thereafter.

The opinions, advice and information presented by your designer are professionally sourced and provided in good faith. Approval of final selections is the responsibility of the client, and as such, your designer can not be held responsible for decisions made by the client.
